Dear Mr. Andrew:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-For future reports, please be advised that contributions to other committees or charitable organizations are not operating expenditures. These amounts should be disclosed on Line 21 of the Detailed Summary Page and itemized on a separate Schedule B. Itemizations of Contributions to federal candidates should include office sought, district and state, when applicable.

-Contributions from individuals and persons other than political committees must be itemized if the aggregate total from the contributor exceeds \$200 in a calendar year. This means that the committee does not have a reporting requirement of a contribution until the aggregate total exceeds the \$200 threshold. (2 U.S.C. §434(b)(3)) Should a committee wish to disclose contributions that do not require itemization, it must do so on a separate Schedule A and report the total amount of unitemized contributions on Line 11(a)(ii) of the Detailed Summary Page. (11 CFR §104.3(a)(4)(i))

Any amendment or clarification should be filed with the Federal Election Commission. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis
